Dear Lancaster ISD Parent/Guardian:

I want to thank everyone in advance for their support, patience, and flexibility during this time, especially as we embark on a new path. **Currently, ALL students are participating in online eLearning until October 2, 2020.**

Based on the most recent survey selection, only those who elected face-to-face instruction will return to their campus for the first round of face-to-face instruction on October 5, 2020, through October 23, 2020. Those who did not elect face-to-face instruction will continue virtual eLearning. A letter will be sent home the week of September 14, 2020, to all parents indicating your survey selection.

Additionally, a survey will be sent out on October 12, 2020, to allow parents another opportunity to elect virtual eLearning or face-to-face instruction for the second round beginning October 26, 2020, through December 18, 2020.

To Stay Connected and informed, you can visit the district's website and social media outlets to get the latest updates. If you have any questions about your child's status, please contact your child's campus for further assistance.
