Lancaster Independent School District *Elementary Summer Reading*

Dear Parent/Guardian,

The end of the school year has arrived. It is time to gear up for summer and, as always, we in the Lancaster Independent School District are striving to keep students reading throughout the summer. Reading for pleasure through summer instills in our children that reading is an enjoyable and life-long activity. Independent reading is a critical component in a child's positive cognitive development.

Please ensure your child/ren read daily for at least 20 minutes in order to catapult their opportunities for future success.

Sincerely,

Shemeka Millner-Williams

Shemeka Millner-Williams
